

2019 Colorado Dragon Boat Festival

Technical Specifications – Gateway: Explore Asia Stage

STAGE SIZE: 15x15

Performer Name: _____

Please be as specific as possible. Information provided here will be used by the Band Stage Committee and by our technical crew during the Festival. Indicate on this diagram the placement of all equipment for your performance, including instruments and vocal microphones, monitors, performer positions, etc. **Please note: this stage is a tight fit for groups larger than ten people.**

Set List: (Please upload all music files in MP3 format in your Performer Folder by Friday May 31)

Equipment brought by performer: (List all instruments, props etc.)

Special staging requirements: CDBF will provide only suitable professional sound equipment as listed below:

- Onsite audio engineer
- 2 JBL PRX 635 15" 3-Way Powered Speakers
- 2 JBL PRX 618 XLF 18" Powered Subwoofers
- 4 JBL PRX 612 12" Powered Speakers
- 1 Sennheiser EW100A Wireless Microphone
- 1 Sennheiser EW135A Wireless Handheld Microphone
- 1 Shure Microphone Package
- Cables, Stands, Adaptors, and Accessories – Small Audio Cable Kit
- 1 basic drum kit and drum mat

Please list any other equipment that is needed for your performance (microphones, tables, chairs, etc.)

Your group is responsible for its own set-up and take-down on the date(s) of your performance. You will have 5-10 minutes to accomplish this depending on the length of your scheduled set. Please note: the time allotted permits for only a line check, rather than a full sound check.

Audio files will need to be uploaded into the Google Drive Performer Folder no later than May 31. Please bring back up music device and accessories to the festival. No sales or distribution of products, materials, or information is allowed at this stage.

Please sign below to give the Colorado Dragon Boat Festival permission to use any of your photos and promotional materials in the advertising of the 2019 event.
