

# Electrical Order Form

## MARKETPLACE VENDOR 2019 Colorado Dragon Boat Festival

You MUST order your electrical PRIOR to the event, so that we can adequately plan and provide power as needed to all exhibitors/vendors.

**\*\*\*\*\*PLEASE BE ACCURATE WHEN ORDERING YOUR ELECTRICITY\*\*\*\*\***

Check your electrical items for the number of amps that you need. This info is usually listed or engraved on each item. If you use more than you have ordered, the cost will increase the day of the event and additional power cannot be guaranteed.

**\*\*\*NOTE** - An electrical audit will be taken on-site during the event to ensure that you are receiving the power that you have ordered. You will be billed for any additional electrical power that you have not paid for.

**2019 Electrical Fees**

110v service (*like a standard electrical plug*) PER 20 amp circuit                   \$ 100.00  
 220v service (*like a clothes dryer plug*)                                                       \$ 200.00

**Only CDBF generators are allowed.** No other generators or electrical service are allowed. BRING YOUR OWN extension cords! All cables must be grounded and of a gauge heavy enough to accommodate the amps of the appliances you intend to use.

Exhibitor/Vendor Information	
Name	
Business	
Cell Phone	Booth Size

We plan to use the following equipment:

Quantity	Appliance Description	Voltage/Amps Required
