

2019 Colorado Dragon Boat Festival

Technical Specifications – Performing Arts Stage

STAGE SIZE: 24W x 20

Performer Name: _____

Please be as specific as possible. Information provided here will be used by the Performing Arts Committee and by our technical crew during the Festival. Indicate on this diagram the placement of all equipment for your performance, including instruments and vocal microphones, monitors, performer positions, etc.

Set List: (Please upload all music files in MP3 format in your Performer Folder by Friday May 31)

Equipment brought by performer: (List all instruments, props etc.)

Special staging requirements: CDBF will provide only suitable professional sound equipment as listed below:

- Onsite audio engineer
- 4 JBL VRX 918S 18" Subwoofer
- 4 JBL VRX 932LA 15" Speakers
- 4 JBL PRX 612 12" Powered Speakers (monitor)
- 1 Sennheiser EW100 A Wireless Microphone
- 1 Sennheiser EW135A Wireless Handheld Microphone
- 3 Shure SLX4 Wireless Microphones (body pack with headset microphones for monks in Opening Ceremony)
- 1 Sennheiser EW135B Wireless Handheld Microphone
- 1 Shure Microphone Package
- Cables, Stands, Adaptors, and Accessories – Medium Audio Cable Kit
- 1 VRX Amp Rack

Please list any other equipment that is needed for your performance (microphones, tables, chairs, etc.)

Your group is responsible for its own set-up and take-down on the date(s) of your performance. You will have 5-10 minutes to accomplish this depending on the length of your scheduled set.

Audio files will need to be uploaded into the Google Drive Performer Folder no later than May 31. Please bring back up music device and accessories to the festival. There will be an option to distribute performer information after your time slot.

Please sign below to give the Colorado Dragon Boat Festival permission to use any of your photos and promotional materials in the advertising of the 2019 event.
