2021 Colorado Dragon Boat Festival Rescheduled

DENVER (January 29, 2021)

To the Colorado Dragon Boat Festival community and supporters:

The Colorado Dragon Boat Festival is now scheduled to take place on **September 25 – 26, 2021** at Sloan’s Lake Park in Denver. While the summer festival would normally take place in July, the Colorado Dragon Boat Leadership has made the decision to reschedule the festival with the hope that by the fall, there will be a resolution to the public health concerns relating to the coronavirus pandemic. More details on the weekend schedule will be forthcoming. The Colorado Dragon Boat Festival will return to its historical July dates in 2022.

About the Colorado Dragon Boat Festival:

Since 2001, the Colorado Dragon Boat Festival has brought people together to experience, celebrate and enjoy dragon boat racing, culture, arts and entertainment, and food. We are proud to have grown into the largest dragon boat festival in North America. As a nonprofit organization, we rely on your support so that we may continue to bring the community together for years to come. If you are interested in supporting our cause (to “Keep the Boats Afloat”) or to learn more about the Colorado Dragon Boat Festival, please contact our Executive Director, Sara Moore, at sara@cdbf.org or please visit our website at www.cdbf.org.

Thank you for your support and we look forward to seeing you on September 25 – 26, 2021 at Sloan's Lake Park in Denver!

Stay safe and be well,

Colorado Dragon Boat Board of Directors

The mission of Colorado Dragon Boat is to build bridges of awareness, knowledge and understanding between the diverse Asian American Pacific Islander (AAPI) communities and the general public through cultural education, leadership development and athletic competition.
